

Let's meet at Gitex Technology Week

This year again, the **MBS Retail** and **24alife solutions** will be presented at the event and we will be honored if you visited our stand at the **Zabeel Hall Z-B20** and have a word with us. We are preparing interactive presentations on our stand to show you what's new at Mikropis.

16 - 20
OCT 2016
DUBAI WORLD TRADE CENTER

With the 30 years of our presence on markets, we have been developing holistic business solutions following the latest tech trends.

MBS Retail suite

awarded innovative solutions for Retail industry

Knowing that shoppers are looking for holistic Shopping Experience, the presentation of the MBS Retail solution will include fixed and mobile POS systems, Self-checkout, Self-shopping, Mobile payments, Instore logistics, Click&Collect, and Store guide.

24alife

solutions for a healthier and happier personal and professional life

As well the 24alife variations for different business and personal uses will be represented, including healthier and happier solutions for employees, fitness members and trainees, hospitality businesses and their guests, medical professionals and their patients, seniors, and insurance companies.

www.24alife.com

We kindly invite you to stop by our stand and say a word about the newest technologies and the solutions that could help you upgrade your business by following and using latest ICT trends. You are welcome to attend interesting discussions with our professionals Stane Baša, Specialist for **Innovation in Retail on October 16th at 14:00**, and Eva Kovač, Performance Psychologist who will talk about **Health and Happiness in Smart City Community on October 19th at 12:00** at DSO stand at the Zabeel Hall Z-B20.

Let's book a meeting

with you at the time of your choice by letting us know when would be the most appropriate for you to visit us. You can send us an e-mail to gitex@mikropis.me.ae if interested in MBS Retail or to the gitex@24alife.com for detailed discussion about the 24alife Solutions.
